THINGS YOUR PARENTS NEED TO KNOW...

- Seating is limited at most meets
- Be on time
- Parents are NOT allowed in the competition area-EVER!!!
- Never approach a judge
- Cost to attend meets
- Feed the gymnast before a meet!
- Mandate and Super Rules
- Special circumstances at meets (no food in gym), parking issues, etc.)
- Coaches- you are responsible for your parents!

*Rotate to your next event as it becomes available.

Please double check your gymnast numbers on your event sheet with your team roster

Please verify scores at the end of the meet

Good Luck - Have Fun!!

3. OBTAIN SPLITS AND ORGANIZE YOUR EVENT SHEETS

Splits can be found on time schedule from meet host the day of the meet

Splits ensure kids of the same age are judged by the same judge

Write judge # on sheets for beam and floor

Sit kids according to splits

Tell kids which judge they are with

One group may be up before another

4. WARM UPS

Meet time schedules are the discretion of the meet host

Warm up times can vary

Open Warm Up- all events are open

Timed Warm Up- specified time on each even for your team

You may be sharing events for warm ups, communicate with other coaches!

Be ready at your event prior to warm ups staring

Rotate on time

Know how to adjust equipment

Have a strategy for warm up

Competition is a good thing; it forces us to do our best. Nancy Pearcey www.dbsquaredinc.com

5. COMPETITION

Line up for march in as soon as you finish timed warm ups

Competition is continuous- rotate to your next event as soon as it is available

Make sure you kids compete in order!!!

If you have 2 coaches (if you have 20+ kids, you should have 2 coaches) and the event ahead of you is open, one coach will need to rotate to the next event with girls ready for that event

Meet host will provide Compulsor music, but each team is responsible for playing it

6. CHECKING SCORES

Check your scores after 3 events and check the last event after your team is done competing

Report any discrepancies between the **judges sheet** and the computer print out to the score keeper

Don't hover around the score table- the score keeper needs to be able to focus and side conversations are very distracting

Be patient- score keepers have a tough job!

Let the score keeper know your scores are good

If you have a judging inquiry, the score table will have inquiry sheets

Fill out the sheet and give it to the meet ref

You can only inquire about addition, difficulty, event requirements, if something is written but credit is not given.

You cannot inquire on composition or execution.

8. AWARDS

Participation ribbons are available at the score table (C3's want them!)

Make sure your kids are paying attention and being respectful and quiet during the awards ceremony

If you suspect a problem with awards, wait until awards are over before approaching the meet director (most of these problems can be avoided by checking your roster and scores!)

All teams, gymnasts and coaches should stay through all of awards

Pick up your final results and team score sheets following awards

Kindly get your kids and parents out of the gym ASAP if there is a session following awards:)
