\* Any/all costs related to hosting are your (the Host's) responsibility up front. Judges fees are reimbursed by CARA and are calculated into your team's end of season bill as a credit. At the end of the season the league will distribute a host reimbursement based on number of participants at your meet and available funds. Hosts determine how to apply the funds to the costs they already incurred.

\*Meet hosts must provide all equipment, set up and tear down.

\*Equipment Expectations: All of the equipment listed below must be of appropriate size, strength and condition. Old broken down equipment poses a safety risk to all participants.

- Elite Bars
- 2 competition beams
- Table Vault & C3 Vaulting system
- 40 X 40 Floor with carpet or carpet bonded foam
- Matting that meets the requirements in the NFHS Gymnastics Rulebook for each event
